

HABITAT SUMMER CAMPS

A Children's Habitat
MONTESSORI SCHOOL

Summer camps for ages 4 to 10 years run Monday through Friday, 9:00 AM–12:00 PM, and are hosted entirely in our Outdoor Classroom, weather permitting. Children will need to bring a sack lunch daily. Camp cost is \$135, \$35 of which acts as a non-refundable deposit required to reserve your space (payable by check or TADS). **Please return your registration, disciplinary form, and deposit to A Children's Habitat, c/o "Summer Camp."** If you do not have these or need another, please visit our website. **WE MUST HAVE EVERYTHING TO RESERVE YOUR SPACE.**

DINOSAURS (FOR AGES 4 TO 10 YEARS)

June 3–7, 2019

Welcome all paleontologists and dinosaur lovers! We will identify, research, and excavate these Mesozoic animals. There will also be games and crafts to reinforce this fun topic.

COOKING (FOR AGES 4 TO 10 YEARS)

June 10–14, 2019

Get ready to explore foods from around the globe! Each day children will learn about a different region and its cuisine and prepare dishes to enjoy together. Children leave the week with their own recipe book to continue the kitchen fun and skills at home.

HARRY POTTER (FOR AGES 4 TO 10 YEARS)

June 17–21, 2019

All four houses are invited as we transform our OC into a Hogwarts distance learning school. During the week we will be conducting the following classes: Charms, Potions, Transfigurations, Herbology, and Care of Magical Creatures. (Unfortunately, no flying this week!)

BEEES (FOR AGES 4 TO 10 YEARS)

July 8–12, 2019

Through education and "bee-friendly" activities, we can teach children about these important pollinators and the role bees play in our food supply. There will be honey to taste and beeswax candles to make. We also plan to have a beekeeper visit us.

FABLES: STEAM (FOR AGES 4 TO 10 YEARS)

July 15–19, 2019

This is a week of cross-disciplinary learning. The basic model of STEAM (Science, Technology, Engineering, Art, and Math) education is to bridge subjects and problem solve. We will visit beloved stories and rhymes while adding both a creative and analytical spin.
